

VistaMAX 3036DWL - Dry-Wipe Anti Graffiti 3 Year Polyester Gloss Laminate

Gloss clear polyester is a clear durable overlaminating film which is coated with a permanent acrylic adhesive suitable for overlamination of all ink types including UV inks. The high glossy finish and inert surface gives excellent glossy and durable properties and therefore this product is commonly used for overlamination where a glossy clear anti-graffiti finish is required with medium to long term outdoor properties, up to a maximum of 3 years.

Must edge wrap the substrate for outdoor use
